Measures to protect those who make complaints/report clues Maintaining confidentiality, measures to protect the complainant and witnesses

1. Consideration of complaints The level of secrecy and protection of those involved shall be specified according to the regulations. By maintaining government secrets, B.E. 2544 and sending matters to the agency for consideration. The informant and the complainant may suffer, for example, a complaint accusing a government official will initially be treated as a complaint. From It is a government secret. If it is an information card Consider only the cases with specified evidence. The surrounding case appears clearly. as well as identifying specific witnesses only Reporting clues to influential people must conceal the name and address of the complainant. If the name and address of the complainant is not concealed The relevant agency must be informed and provide protection to the complainant as follows: “The commander shall use his discretion and give orders as appropriate to protect the complainant, witnesses, and persons providing information. in the investigation Do not suffer harm or injustice. that may arise from complaints Being a witness or providing that information.” In the case where the name of the accused is specified, both the complainant and the accused must be protected. Complain because the matter has not yet gone through the fact-checking process and may be a form of bullying and accusations that will cause distress and damage. and in the case where the complainant specifies in the request to be concealed or does not wish to reveal the name of the complainant The agency must not reveal the name of the complainant to the agency. The complainant is informed. This is because the complainant may have suffered as a result of the complaint.

2. When there is a complaint The complainant and witnesses will not be subjected to any action that affects their work or livelihood. If it is necessary to take any action, such as separating the workplace to prevent the complainant, witness, and the accused from meeting together. The initial work must have the consent of the complainant and witnesses.

3. Requests of the injured person, the complainant, or a witness, such as a request to move the workplace. or methods for preventing or solving problems It should be considered by responsible persons or agencies as appropriate.

4. Provide protection to the complainant from being harassed.

Measures to protect the accused

1. During the consideration of the complaint, it is not considered that the accused person is guilty. Must be Dhamma and to be treated the same as other people.

2. Give the accused an opportunity to fully explain the allegation. Including the right to perform Documents/evidence
